Accurate Environmental
Laboratory and Training Center

Accurate Environmental Labs and Training Center combines full service laboratories with operator certification training, engineering services, lab supply sales, and field services in order to provide you with the most comprehensive environmental services in the state. Accurate Labs is state certified through the Oklahoma Dept. of Environmental Quality and nationally certified through the National Environmental Laboratory Accreditation Program (NELAP).

Petroleum Production Well Drilling Analysis

Level 1	**Barium, Sulfate, Sodium, Chloride**	**$160**
Level 2	**Barium, Sulfate, Sodium, Chloride, BTEX (Benzene, Ethylbenzene, Toluene, Xylene) /TPH (DRO, GRO)**	**$365**
Level 3	**Barium, Sulfate, Sodium, Chloride, BTEX (Benzene, Ethylbenzene, Toluene, Xylene) /TPH (DRO, GRO), Bromide, Calcium, Conductivity, Hardness, Iron, Magnesium, Manganese, pH, Potassium, Strontium, Alkalinity, Total Dissolved Solids, Total Suspended Solids, Methane, Ethane & Ethene**	**$1100**

Fees For Individual Tests			
Barium	$40	**Hardness**	$40
Sulfate	$40	**Iron**	$40
Chloride	$40	**Magnesium**	$40
Sodium	$40	**Manganese**	$40
BTEX (Benzene, Ethylbenzene, Toluene, Xylene) **/TPH** (DRO, GRO)	$205	**Methane, Ethane & Ethene**	$205
Bromide	$50	**Potassium**	$40
Calcium	$40	**Strontium**	$40
Conductivity	$40	**Alkalinity**	$40
Total Dissolved Solids	$40	**pH**	$40
Total Suspended Solids	$40	**Radiologicals** (Gross Alpha, Beta, Radium 226, 228, Uranium)	$409

Rush Order Fees	
Same Day	300% + price
Next Day	200% + price
2 Days	100% + price
3 Days	75% + price
4 Days	50% + price
5 Days	25% + price

Accurate Labs-OKC
12036 N. Penn Ave.
Okla. City, OK 73120
Fax (405) 751-3108

Accurate Labs-Tulsa
3910 East 51st Street
Tulsa, OK 74135
Fax (918) 663-6300

**Prices are for client-delivered samples. Accurate can pick up your samples along our weekly field service routes for additional $20 per pickup. Accurate can also provide sampling services to you for a $135/hr field service charge (1-hour minimum).*
