### Accurate Knowledge...

Here are some things you need to know regarding ODEQ Water and Wastewater Operator Certifications. If you are not familiar with the certification requirements, please take a moment to read through the following information. Anyone wishing to become certified, or upgrade an existing certification, must first meet the following requirements set by the Oklahoma Department of Environmental Quality:

WATER or WASTEWATER	REQUIRED AMOUNT of TRAINING	REQUIRED EXPERIENCE
D Operator	16 Hours	None
C Operator	36 Hours	1 Year
B Operator	100 Hours	3 Years
A Operator	200 Hours	5 Years
C Laboratory	32 Hours of C Lab*	None
B Laboratory	32 Hours of C Lab* and 32 Hours of B Lab	6 Months
A Laboratory	32 Hours of B Lab	5 Years**

\*Certain degrees may be substituted for C level training. See ODEQ Operator Rules & Regulations Cha. 710.  
 \*\*Certain degrees may be substituted for experience. See ODEQ Operator Rules & Regulations Cha. 710.

#### Oklahoma Department of Environmental Quality 252:710-1-12. Certification Fee Schedule

##### (a) Operators of waterworks or wastewater works.

Certification fees for operators of waterworks or wastewater works are:

- (1) Application fee for certification - **\$62.00.**
- (2) Certification renewal fee - **\$46.00.**
- (3) Registration fee for helpers (per helper) - **\$23.00.**
- (4) Renewal registration fee for helpers (per helper) - **\$23.00.**
- (5) Reinstatement penalty - **\$8.00** per month for each month certification is expired.
- (6) Late payment of application fee - **\$8.00** per month for each month the application fee is not received after a 120 day grace period from the date of the examination. After 180 days without payment of the application fee, the applicant must reapply and pass the validated exam.
