

ACCURATE NEWS EXTRA!

Accurate Environmental Labs & Training Center

March 2018 - Issue 03.18.2

(800) 516 – 5227

www accuratelabs.com

Just A Few More Days!

3910 E. 51st Street
Tulsa, OK

On Monday, March 26th, 2018 Accurate Labs and Training Center will be moved into their new facility located at 3910 East 51st St. Tulsa OK 74135.

The new facility will double our building size and allow for expansion of Accurate Environmental's laboratory testing, training, and engineering services in the Tulsa area. We are very excited about the move and look forward to being able to serve our clients even better than ever.

The new Lab and Training Center is just a few minutes southwest from the current location on 40th Street. A short drive one mile south of the current facility on Sheridan to 51st Street, then one and one-half miles west on 51st will take you right to Accurate Labs and Training Center's new Tulsa office. The new location is also very easily accessed from I-44, which makes getting there simple and convenient no matter where you are coming from.
