We've Moved!

As of March 26th, **Accurate Labs and Training Center** has been operating out of their new facility located at **3910 E. 51st Street** in **Tulsa**. The new location is more easily accessible to clients, doubles the facility size and provides 5 times more parking!

The larger facility allowed **Accurate Training Center** to **double its classroom size** and upgrade to **state-of-the-art** presentation equipment, including dual **80-inch interactive whiteboards**. Laboratory testing services will also be expanded to include **additional drinking water analyses** and a **radiological analysis** department.

The new facility will help **Accurate Environmental** offer **more services** at the **Tulsa Lab and Training Center** and make it **more convenient for clients**. Feel free to stop by **Accurate Labs & Training Center's** new **Tulsa office** to take a tour and see **the new standard for environmental laboratories and operator training**.
