Accurate Environmental

REMEMBER:

Your Operator License Expires June 30th!

Accurate Training Center (ATC) offers comprehensive ODEQ license renewal training for environmental professionals across Oklahoma. Accredited by the Oklahoma Department of Environmental Quality (ODEQ), **ATC**'s courses meet all regulatory requirements for water and wastewater operator license renewals. Classes are designed to be **practical, engaging, and up-to-date** with current industry standards. Whether you're renewing a Class D or Class A license, **ATC** provides flexible training options, including weekly morning and afternoon refresher classes at both Stillwater and Tulsa training centers throughout the month of June. **Experienced instructors** bring real-world expertise to every session, ensuring participants gain **valuable knowledge** while satisfying ODEQ renewal training requirements. With **multiple training locations** and a strong reputation for **quality education**, **ATC** is a trusted choice for operators seeking to maintain their ODEQ certifications. Registering is simple, and the center offers support throughout the process to make renewal seamless and stress-free. Stay certified and informed with **Accurate Training Center**.

Your ODEQ license renewal **training must be completed by June 30th** to be compliant with DEQ operator certification rules. All **ATC**'s June refresher classes can be used to **renew any level operator or laboratory licenses**. 4-hr morning and 4-hr afternoon classes on each class date in June allow operators to get **up to 8 hours of DEQ renewal training** in a single day. *See page 2 of this newsletter for a complete listing of the June 2025 renewal classes at **Accurate Training Center**, as well as the current ODEQ renewal requirements for every level of certification.*

If you have any questions or would like more information about **ODEQ renewal or certification training**, contact **Jeff Clarke** at Jeff@accuratelabs.com or call **(800) 516-5227 ext 144**.
